Returning Remains Of Robert E. Stevens For Funeral Services

No Further Details In Case Revealed

The body of Robert E. Stevens, Malden man killed in Singapore early Sunday morning, will be flown home for funeral services, the State Department in Washington announced today. No further details of the death were revealed by the department.

Mr. Stevens, who lived at 11 Gale street, is reported to have died as the result of a fall from the fifth floor of a Singapore hotel.

The State Department did not reveal any new information on the case today. However, officials in Washington have agreed to make the details of the incident available when a complete report is received from the Far Eastern city.

In the meantime, it has been reported that Singapore police are conducting an investigation to determine if foul play was involved and ten persons have been questioned.

Mrs. Gerald J. Harvey, with whom the victim made his home, informed the State Department

that the family wishes to have the remains flown to Logan International Airport for services here. It is expected that the body will arrive in three days.

Services will probably be held from his late residence with a requiem mass in the Immaculate Conception Church. Burial will be in the family lot in Oak Grove cemetery, Medford.

Mr. Stevens, a Malden High graduate and a veteran of both World War Two and the Korean War, had left the senior year at Northeastern University to accept a post with the Central Intelligence Agency last April.

He had been in Singapore since last fall on an assignment for the secret organization.
